SOME TEACHER TIPS

These two sheets comprise the first eight pages of the booklet. Copy both pages for every student.

This sheet has the final page of the booklet. To save paper, there are two copies of the final page on one sheet.

Make one copy of this page for every two students. Then cut it down the middle and distribute it along with the rest of the booklet pages.

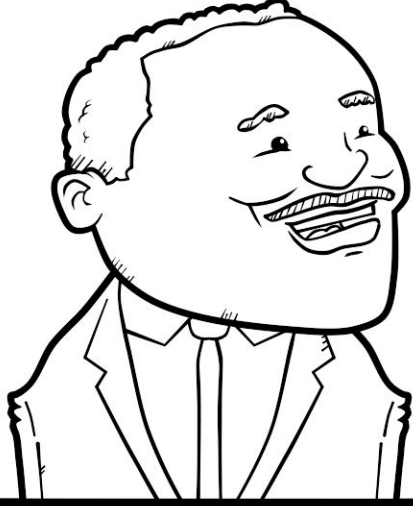

Have your kids cut and color the nine pages of their booklet. Have them stack the pages with the "Be the" cover on top and the long "Change" page at the bottom. Finally, staple the pages into a booklet.
